2. Nuisance Contraband: Any item other than dangerous contraband, which has never been authorized, or which may be, or which previously has been authorized for possession by an inmate, but whose possession is prohibited when it presents a threat to security or its condition or excessive quantities of it present a health, fire, or housekeeping hazard.

Examples may include, but are not limited to personal property no longer permitted for admission to the institution or permitted for sale in the commissary; altered personal property; excessive accumulation of commissary, newspapers, letters, or magazines which cannot be stored neatly and safely in the designated area; food items which are spoiled or retained beyond the point of safe consumption; government-issued items which have been altered, or other items made from government property without staff authorization.

PROCEDURES: [2-CO-5D-01]

A. Limits of Correspondence:

When the inmate bears the mailing cost, there is no limit on the volume of letters the inmate can send or receive or on the length, language, content, or source of mail or publications, except when reasonable belief that limitation is necessary to protect public safety or institutional order and security. However, correspondence may be rejected by prison officials pursuant to the other rules as stated in this procedure. **[5-7D-4488]**

When the inmate bears the mailing cost, it will be documented on the Debit Memo submitted by the inmate. Debit Memos shall be filed monthly.

B. Postage and Writing Materials:

1. Indigent, Reception and Diagnostic (RDC), and Special Management inmates (i.e., segregation, MHTC/ACU, LTCU) will receive two (2) envelopes and two (2) sheets of writing paper per week. All other inmates will pay for their own writing paper and envelopes.
2. All inmates in Level II, III, IV, and Special Management inmates will receive postage for two (2) First-class letters per week for personal, legal, or privileged correspondence.
3. **Indigent** inmates in Level I security facilities will receive postage for two (2) First-class letters per week.
4. Inmates will pay the cost of any additional mail by attaching a debit memo.
5. A reasonable amount of postage for the following categories of mail will be supplied by the facilities for **indigent** inmates:

Attorneys, recognized agencies that provide legal assistance, the courts and disciplinary appeals addressed to the disciplinary appeals officer, classification appeals addressed to the Classification Bureau Chief, Parole Board members, the Secretary of Corrections, Department staff located at Central Office, federal and state legislators, and the Governor of New Mexico.

- a. All other legal mail shall be accompanied by a debit memo.
6. Mailroom staff will track postage for accountability on the Mailroom Roster available

in CMIS.

7. No inmate shall use any other inmate's name or number to try and send out more than two (2) First-class letters per week.

C. Mailing of Letters:

1. Outgoing letters will be deposited in the designated boxes in each facility.
2. Letters, except legal mail and privileged correspondence, will be deposited unsealed. Letters must be written in English or Spanish, except when another language of correspondence has been approved, in advance, by a Deputy Warden.
3. Inmates shall not modify institutional stationery in any way and the sender's name, number and living quarter's assignment, in English, must appear on all outgoing mail.
4. Incoming and outgoing letters are held for no more than forty-eight (48) hours excluding weekends, holidays, and emergency situations. [5-7D-4495]

D. Inspection of Mail: [5-7D-4491] [5-7D-4493]

1. All outgoing mail from inmates, except legal mail and privileged correspondence will be routinely inspected for contraband.
2. Except legal mail and privileged correspondence, outgoing mail, will be read if there is reasonable suspicion to believe that the mail contains escape plans, other plans to commit a crime or to violate institutional rules or regulations, or constitutes a crime in and of itself.
3. All incoming mail, with the exception of legal mail and privileged correspondence, will be inspected for contraband.
4. Legal mail and privileged correspondence will be handled in accordance with *paragraph H.3* of this procedure.

E. Rejection of Incoming and Outgoing Mail:

1. All inmates will be held responsible for the contents of their outgoing letters and deliberate violations may result in a misconduct report. Violations of Postal Laws may result in referral for prosecution to federal authorities.
2. Rejected incoming and outgoing mail shall be withheld, photocopied and filed for future reference, prior to return or destruction.
3. When any mail is rejected, the inmate and the correspondent will be notified in writing on the **Mail Rejection** form (*CD-151201.1*) with the reason for the rejection indicated and copies of the mail rejection form will be placed distributed as indicated at the bottom of the form.

4. Rejected mail notifications must receive final signature approval of the Deputy Warden or designee. Any inmate whose mail is rejected may contest the rejection through the inmate grievance procedure.
5. Outgoing mail will be rejected when the mail contains contraband, escape plans, codes, other plans to commit a crime or to violate facility rules and regulations, is intentionally deceptive, harassing or would constitute a crime in and of itself.
6. Incoming mail will be rejected for the following reasons:
 - a. There is a clear and present danger that the mail will endanger the internal security of the institution, contains escape plans or other plans involving the inmate in the commission of a crime or the violation of institutional rules and regulations, or would constitute a crime in and of itself.
 - b. The mail contains codes or other attempts to circumvent correspondence regulations.
 - c. The material is obscene in that it appeals primarily to the prurient interests or is patently offensive. A three-member publication review panel will be established by the Warden with the authority to approve or reject materials that are alleged to be obscene. The panel will have the authority and responsibility to review allegedly obscene publications and correspondence to determine whether to reject the documents pursuant to this section. The review will be documented on the **Publication Review Panel Determination** form (*CD-151201.4*).
 - d. Junk mail, pamphlets, leaflets, brochures, etc., will be judged by the same standards as other correspondence. However, any incoming mail not addressed to a prisoner (occupant-type addressees) may be discarded at the discretion of prison officials.
 - e. The following will be cause for rejection:
 - Publications containing instruction on the manufacture of drugs, tattoos, weapons, or explosives.
 - Publications advocating or describing terrorism, violence, hatred, abuse, or revenge against any individual or group based upon race, religion, nationality, sex, sexual orientation, disability, age, or ethnicity.
 - Publications with information useful for escapes such as contain local area maps or survival guide information.
 - Publications promoting, or depicting as favorable, gang activity.

All monies held overnight must be secured in a locked box in a designated location.
2. Facilities will not accept cash or personal checks on behalf of inmates. Any such items received will be documented (including serial numbers and value) and return such items to the sender if they are enclosed with mail on the **Mail Rejection** form (*CD-151201.1*).
3. Photographs will be rejected only pursuant to the same standards and procedures as publications. Photos must be sent without frames so they can be properly inspected without damage. An inmate may not have a picture of himself or herself alone, for security reasons.

4. Incoming and outgoing legal mail and privileged correspondence may be opened,

inspected, and read to the limited extent necessary to determine its legitimacy; in the presence of the inmate in an appropriate, secure area of the facility by the Warden or a designee to help determine if the mail is legitimate, contains contraband, or when there is an indication of contamination. Opened privileged correspondence will be documented on the **Receipt for Open Privileged Mail** form (*CD-151201.3*).
