NEW MEXICO CORRECTIONS DEPARTMENT
VISITOR STATEMENT OF UNDERSTANDING

It is a violation of New Mexico State law for any person to introduce, or attempt to introduce, any article of contraband including deadly or explosive materials, currency, weapons, ammunition, alcohol or controlled substances into a correctional facility.

All visitors will be questioned upon their arrival at point of entry, to determine whether they possess any of the above items. Detection devices used at this facility may include the use of the New Mexico Corrections Department Canine Unit (dogs trained in the detection of controlled substances) and/or mechanical drug detection devices. Search regulations may be enforced at any time while you are on institutional grounds; refusal to submit to a strip search will result in the cancellation or suspension of the visit. Major violations of visiting regulations including the use, possession, distribution or attempts to introduce or introduction of alcohol, controlled substances or other contraband will result in the loss of visiting privileges. Minor violations may result in suspension or even a termination of visiting privileges.

Vehicle/Visitor searches shall include:

1. Search of all vehicle contents, including, but not limited to, purses, coats, briefcases, diaper bags, loose articles of clothing, children's toys, etc.
2. Hair shall be visually inspected, including requiring the visitor to shake out and/or run their fingers, comb or hair pick through their hair.
3. All persons in the vehicle will allow the traffic control officer to look into their mouths to ensure that it is free of contraband.
4. A thorough pat search may be conducted of all persons, including children. If alcohol, controlled substances or contraband is detected on any visitor, including an infant or a child, visiting will not be allowed.
5. Pedestrians entering for the purpose of visiting with inmates are subject to the same search regulations as persons in vehicles.
6. Parents/Guardians will be required to change an infant's diaper prior to the visit in the presence of a correctional officer of the same sex as the parent.

All persons entering the correctional facility will be required to pass through a metal detector and/or controlled substance detection equipment or screened by dogs trained in the detection of controlled substances. All packages and items carried into the institution are subject to search by correctional employees and/or State or County law enforcement officials.

NEW MEXICO CORRECTIONS DEPARTMENT
VISITOR STATEMENT OF UNDERSTANDING

You are hereby informed prior to entering the institution that you may be subject to search and must sign a statement to that effect. If you choose not to enter, you will not be subjected to a search, and will be escorted from institutional grounds immediately. Where there is a reasonable suspicion that a particular visitor is attempting to introduce contraband into the institution, the Warden on duty at the facility may order that the visitor be subjected to a more thorough search. A visitor may be requested to remove his or her clothing to submit to a strip search only where the Warden of the institution determines that there is probable cause to believe that the particular visitor possesses contraband. In such an instance, the search may be conducted only by an employee of the same sex as the visitor in an area that provides the visitor the greatest possible privacy.
