The image shows a product label for 'High Performance Stripper' from New Mexico Corrections Industries. The label is primarily white with red accents at the top and bottom. At the top left, there is a red square. To its right is the New Mexico state logo (Zia symbol) and the text 'New Mexico Corrections Industries'. Below this, the product name 'High Performance Stripper' is written in a large, bold, black font. Underneath the product name, the text 'Extra Heavy-Duty Power Stripper' is written in a smaller, bold, black font. A horizontal red line separates this from a list of features: '• Labor Saving – Strips the First Time', '• Speed Stripper – Fast!', '• Superior Wetting Penetration', and '• Low Chemical Odor'. Another horizontal red line follows. Below that, it says 'Net 1 US Gallon (3.8 Liters)'. At the bottom, there is a red rectangular area containing the company name 'New Mexico Corrections Industries', address '4327 State Rd. 14 Santa Fe, NM 87508', phone number '1-800-568-8789', and 'Made in the USA'. On the right side of this red area, the letters 'HPRS' are printed vertically.
