Policy *CD-044100*

PROCEDURES:

A. Request Submission

1. Complete the **Video Schedule Request** form (*CD-044101.1*) and send via email to: NMCD-video@state.nm.us. Due to high demand for video services and conference rooms, early scheduling is encouraged.
 - a. For internal agency video conferences, please submit form (*CD-044101.1*) two (2) weeks prior to requested conference date, if possible.
 - b. For outside agency video connections (e.g. SPO, JID, NMCOURTS, Contractor, etc.) please submit form (*CD-044101.1*) a minimum of three (3) weeks in advance of the requested conference date, if possible.

B. Request Processing

1. Upon receipt of the **Video Schedule Request** form (*CD-044101.1*), ITD will verify availability and the requested conference will be placed on the video conferencing calendar and assigned a conference number.
2. ITD will send a confirmation of the conference schedule(s) and conference number(s) to the requestors via email.
3. Requestors are responsible for scheduling meeting rooms, staff, etc., and sending notification of the conference number via email to all participants prior to conference start time.
4. The current video conferencing calendar is available in the **email** system for users to view for tentative planning purposes. It is Located inside the Public Folder, under "Departments" folder, inside the "New Mexico Corrections Department" folder and inside the "Information Technology Division" folder is the calendar. *See attachment (CD 044101.B) as an example of the calendar.*

C. Conferences

1. ITD recommends all video conference participants connect to the conference a minimum of fifteen (15) minutes before the conference is to start. In the event a technical problem arises, fifteen (15) minutes will allow ITD time to remedy most video issues.

NMCD Circuit Bandwidth
Appendix B

Due to the nature of video communications circuit bandwidth can be an overriding issue. Although IT continues to expand bandwidth in locations statewide as improvements become available, video conferencing scheduling will be based on available bandwidth and conference number availability.

High speed sites, circuits 10Mb or greater in existence or on the roadmap to upgrade this year:

CNMCF, SNMCF, GCCF, NENMDF, NWNMCC, PNM, NNMCC, LCCF, SCC, Gallup PPO, Las Cruces PPO, Gold PPO, Las Vegas PPO, Bernalillo PPO, Los Lunas PPO, Clovis PPO, Rio Rancho PPO, Roswell PPO, Tucumcari PPO, Grants PPO, Farmington PPO, Santa Fe PPO, Las Vegas PPO, Raton PPO, Truth or Consequences PPO.

Central Office Administration Complex/Gara

Video conferences between any of these sites are available five (5) days a week normal hours and multiple concurrent conferences.

Also Video conferences with outside business partners on the Internet or other state agencies are available five (5) days a week normal hours to these sites

Sites not listed above are connected via lower speed (3Mb or less) data circuits and are limited in availability. No concurrent conferences allowed.
